Dear Duncan,

Thank you for getting in touch with your document that features the election commitments you're seeking on behalf of the Oyster Industry.

We are supportive of the Tasmanian Oyster industry and want to see it thrive.

As we don't currently have any elected members and don't have access to the books, we are not in a position to make any financial commitments.

That said, we can assure you that if our candidates do get elected, then their doors will be open to hear about the industry's needs.

Kind regards
Jacqui Lambie Network
