

A decorative graphic consisting of several concentric, overlapping bands of color. The colors transition from light blue on the left, through light green, to light purple on the right. The bands are semi-transparent and have a slight gradient, creating a soft, ethereal effect. The graphic is centered on a white background.

NSILP 2024

progressive industry

economic consideration

synergy between sectors

technology

innovation

inclusivity

networking

diversity

sustainable resources

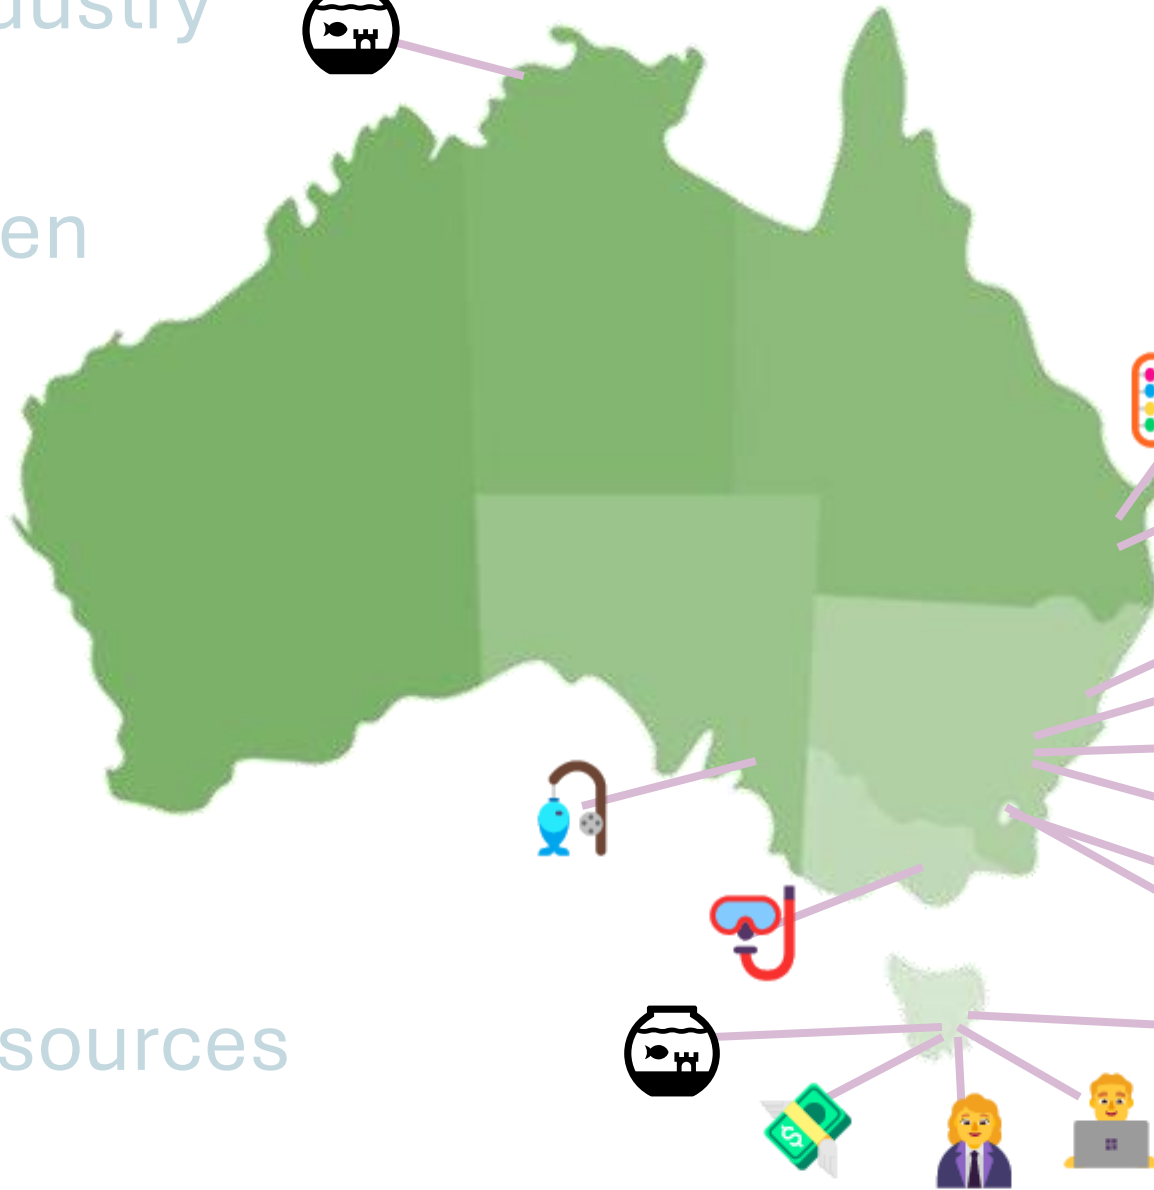

growth

trust between science and industry

research

future focused

The background features several overlapping, wavy, organic shapes in shades of light green and pale blue, creating a sense of movement and depth. The shapes are layered, with some appearing more prominent than others, and they frame the central text.

Our Vision

A unified,
responsible and
prosperous
Australian Seafood
Industry

Our Mission

Promote synergy among seafood stakeholders and drive innovations while prioritising cultural, social, economic and environmental considerations and safeguarding resources and opportunities for future generations.

Considering doing NSILP?
The good, and the challenges

The Good:

- Networking opportunities
- Opportunity to connect with industry in formal and informal settings
- Getting outside your comfort zone
- Working on a project with people outside your usual working group

The Challenges:

- Managing the time commitment

What's next?

- Last residential and mission delivery in Canberra in November
